It is the understanding of the parties that dollars distributed to the employee as cash in this manner shall not be construed as earned income for PERS purposes.

Any change in this assumption shall require a payment by the using employee of both the employee's and the employer's share of any such liability from the inception of this program.

G. An employee who does not have any accrued vacation may borrow up to 120 hours of unearned vacation subject to the approval of the Fire Chief or designee. Once an employee starts to earn vacation, it will be credited against the amount borrowed. Thus, an employee with a balance of borrowed vacation will not be able to accrue vacation.

H. Effect of Holidays

When authorized holidays occur during a vacation period, employees covered by this Agreement shall be compensated, therefore, at the regular holiday rate.

SECTION 6.2 SICK LEAVE

A. Accrual of Sick Leave

1. Nine hours for each calendar month of service for employees in the classification of Battalion Chief.
 - a. New employees shall be eligible to borrow up to 72 hours of sick leave during the first year of service. This loan shall be repaid as the employee earns sick leave and shall accrue after repayment of sick leave to a maximum of 800 hours total accrued sick leave.

The request must be submitted on a "Request for Conversion" form. Payment will then be made no later than twenty-one (21) calendar days from the date of receipt in the Finance Department as follows:

Sworn Safety Employee. . . .100% x hourly rate

An employee may choose to take sick leave in pay for each hour of sick leave in excess of 440 hours, in days equal to vacation days taken.

Deferral of Accrued Sick Leave:

Upon accrual of 440 hours, employees so desiring may defer all or part of the amount of accumulated sick leave to which they are entitled into the employee's deferred compensation plan (subject to Federal regulations).

2. At time of termination, an employee covered by this Agreement shall have his/her accumulated sick leave converted into cash, as follows:

- a. After 1 year of service, each hour of sick leave shall equal:

Sworn Safety Personnel . . . 32% x hourly rate

- b. After 10 years of service, each hour of accumulated sick leave shall equal:

Sworn Safety Personnel . . . 57% x hourly rate

$$\frac{\text{Balance on Books}}{(1 - \text{biweekly accrual})} = \text{formula for vacation and sick leave cashouts}$$

112

3. Upon the death of an employee covered by this Agreement, regardless of years of service, accumulated sick leave shall be converted to cash and shall be paid to the employee's beneficiary at 100% of each employee's then current hourly rate:

(Earned sick leave inclusive of time which would have been earned if used.)

Such absences shall be granted only when the Fire Chief or designee believes that the activity will not perceivably deter recovery or otherwise aggravate the injury or illness under treatment.
- D. A failure to adhere to the rules governing industrial accident leaves may result in disciplinary action against the employee.

- E. The City and TFCOA jointly indicate their concern for the proper use of industrial accident leave. Management has the responsibility to seek lateral transfer of an injured employee where appropriate and to process involuntary disability retirement where necessary.
- F. No Federal or State taxes shall be deducted from Safety employees' pay checks when an employee is on industrial accident leave (this shall be subject to modification if required by future IRS rulings).

SECTION 6.4 JURY DUTY

Where the leave is refused, the employee must return to work or be terminated. The burden of medical evidence shall be upon the employee.
- D. Medical Examination at Termination of Leave:
Prior to the expiration of any leave of absence, the City Manager may determine, by evidence of medical examination or other reasonable evidence, if the employee is mentally and physically able to perform the duties of the position from which the leave was granted. If the City Manager has determined that the employee is unable to return to work, the employee will not be returned to work but shall have the right to submit the matter through the Civil Service Commission to review the reasonableness of such findings.

- E. **Holding Position Open:**
Upon expiration date of a leave of absence duly granted in accordance with the provisions of this Section, an employee shall be returned to the same position or class of position as occupied when the leave of absence was granted.

During this period of time, health insurance will continue only if the City was paying for the benefit prior to the "50% Medical leave" request. APPENDIX A CATASTROPHIC LEAVE PROGRAM (REVISED)

Purpose

The purpose of this Catastrophic Leave Program is to allow employees to assist another employee during times of personal crisis when serious illness or injury has incapacitated him/her or a family member and the employee is therefore unable to work. It can also be used for employees who suffer catastrophic illness or injury who must undergo intermittent medical treatment such as chemotherapy. This program is solely for employees whose accrued leave balances have been exhausted.

Policy

The Catastrophic Leave Program allows an employee to transfer eligible leave hours (vacation, sick leave, compensatory time and/or administrative leave) to another employee when a catastrophic illness or injury occurs. A catastrophic illness or injury is defined as a serious health condition which substantially incapacitates an employee or qualifying family member, or which forces the employee or family member to undergo ongoing or lengthy substantial medical treatment. The illness or injury further creates a financial hardship because the employee has or will exhaust all leave time. For the purpose of the Catastrophic Leave Program, qualifying family member shall mean an employee's parents, step parents, spouse, children, step children, and registered domestic partner.

An employee will not be eligible for catastrophic leave until he/she has exhausted all leave time, including sick leave, vacation, compensatory time and administrative leave.

Donated hours may be used under the following situations:

- To cover the elimination period before short-term and/or long-term disability benefits begin
- To supplement short-term and/or long-term disability benefits
- To cover the time used on unpaid Family Leave

Procedures / Guidelines for Using Catastrophic Leave

1. Leave of Absence paperwork¹ must be submitted to the Human Resources Department. It should include the nature of the illness and the dates the employee expects to be absent. The leave must be approved by the Department Head and the Human Resources Director.
2. Verification of illness or injury of the employee or qualifying family member must be provided in writing by the treating physician on the City provided forms.
3. The employee or representative makes a request for catastrophic leave donations to the employee's department. The City Manager's Office is then notified and advertises the donation request via e-mail.
4. The period of absence will be determined by the written verification of the employee's or family member's physician and will not be based on the number of hours donated.

¹ Leave of Absence Paperwork consists of: "Request for Leave of Absence" form and either a "UNUM" form (for personal illness) or a "Family Medical Certification" form (for family illness).

5. Employees who are approved for the Catastrophic Leave Program due to a qualifying family member's catastrophic illness/injury may use donated time for a maximum of 12 weeks during a rolling one year period, as is allowed by the Family and Medical Leave Act.
6. Employees must exhaust all accrued leave hours (vacation, sick leave, etc.) prior to using any donated hours.
7. Employees will not accrue vacation, sick leave, or service time while using donated hours.
8. Donated hours may not be converted to cash ("cashed down").
9. The catastrophic leave bank will be closed and no further donations will be accepted under the following conditions:
 - The ill/injured employee returns to work full time, or
 - The 12 weeks of Family Leave have been exhausted, or
 - The ongoing, intermittent treatment program has been completed.

In these cases, any unused donated balances will be returned to the respective donating employees.
10. Any subsequent illness after the close of the bank will require a new request and approval.

Procedures / Guidelines for Donating Hours

1. Employees who wish to donate eligible leave hours must complete a Catastrophic Leave Bank Transfer Authorization form.
2. Donation of Catastrophic Leave hours are made on a voluntary basis.
3. All donated time must be in increments of one hour or more.
4. Donation of leave hours, once used, are irrevocable and become part of the receiving employee's leave bank.
5. Employees with less than 40 hours of sick leave may not donate sick leave hours. This provision may be waived by the City Manager if a donating employee has given notice of terminating employment with the City and there is a current qualified Catastrophic Leave Bank recipient.

Confidentiality

To protect the confidentiality of the program, the names of individuals who donate will not be released. The exact amount of hours donated will be provided to the receiving employee upon request for the purpose of computing the length of time to be covered by the catastrophic leave bank.
